Guidelines for Paws for Therapy Volunteers

1. We only go on monthly and special visits that correlate with our mission as therapy dogs. We are not entertainment; we are not a petting zoo attraction.
2. We require all volunteers to go to one regular monthly visit per month. (A little leeway is built in.)
3. Paws for Therapy is a therapy dog group. Therapy dogs are very different from service dogs. Therapy dogs have a different purpose and do not have the same access to public spaces as service dogs do.
4. You cannot volunteer with Paws for Therapy at your place of work.
5. If you are a counselor, therapist, or anything along those lines, we do not allow taking your pet with you to work as a therapy dog under the name of Paws for Therapy.
6. No off-scheduled visits allowed. We cannot have volunteers visiting places without our knowledge as that opens us up to liability issues. If you choose to visit some place on your own, that is your prerogative but it cannot be as a representative of Paws for Therapy. All monthly and special visits need to go through/be approved online. The only exemption to this rule is for the hospital facilities we are affiliated with.
7. Required attire:
 - Solid color, collared shirt
 - Paws for Therapy laminated annual badge
 - Close-toed shoes
8. What is expected at a visit:
 - Contact the visit lead before the visit to let them know you are coming.
 - Contact the visit lead if you are running late to a visit.
 - Proper attire
 - A clean dog (within 48 hours). Nails must also be trimmed.
 - Collar and 4 – 6 ft leash. No prong collar, shock collar, head collar, or retractable leashes.
 - No dog toys
 - Clean up after your dog and take all waste/garbage home with you.
 - A “ready” bag that contains: poop bags, clean up spray, paper towels, plastic bag
9. You need to report to Paws for Therapy leadership if there is a pet that shows unruly behavior. Unruly behavior includes, but is not limited to:
 - Uncontrollable barking
 - Lunging
 - Challenging other dogs
 - A bite with puncture of the skin (automatic expulsion)
10. You grant permission to Paws for Therapy the use of your and your dog’s likeness in pictures and video on the Paws for Therapy website and social media.

I understand all of the guidelines above and agree to them for the duration of my time as a volunteer with Paws for Therapy.
